**SUBMISSION OF PROPOSED DRAWING AMENDMENT
FOR APPROVAL BY EXAMINER (37 CFR 1.121(d))**

Attached please find a copy of the original informal 11 sheets of drawings (Figs. 1-11) with proposed changes to the drawings marked in red ink. The approval of the Examiner is requested. The proposed drawings changes are as follows:

1. Fig. 2: Change reference numeral "28" to --30--;
2. Fig. 3: Change reference numeral "32" to --34--;
3. Fig. 3: Change reference numeral "30" to --32--;

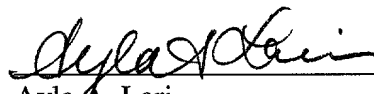

4. Fig. 11: The word "Other" listed under "Department" in the "Yahoo! Shopping" window is labeled with reference numeral --142--;
5. Fig. 11: Reference numeral 24 with a line leading towards and labeling "Computers and Internet" remains reference numeral 24 but the line is changed to be leading towards and labeling "News & Media".
6. Fig. 11: Unreferenced lines to "Other" in shopping quick index and to "Recreation & Sports" in the taxonomy based directory have been deleted.

The above-identified corrections are fully supported by the original specification and thus do not constitute new matter. Correction is thus believed to be permitted.

A copy of the formal drawings including the amendments is also enclosed.

Respectfully submitted,
